- (l) No lease, rental agreement, lease-purchase agreement, payment agreement or contract for purchase to which Lessee has been a party at any time has been terminated by Lessee as a result of insufficient funds being appropriated in any fiscal year. No event has occurred which would constitute an event of default under any debt, revenue bond or obligation which Lessee has issued during the past ten (10) years.
- In connection with the Lessee's compliance with any continuing disclosure undertakings (each, a "Continuing Disclosure Agreement") entered into by the Lessee pursuant to SEC Rule 15c2-12 promulgated pursuant to the Securities and Exchange Act of 1934, as amended (the "Rule"), the Lessee may be required to file with the Municipal Securities Rulemaking Board's Electronic Municipal Market Access system, or its successor ("EMMA"), notice of its incurrence of its obligations under the Related Documents and notice of any accommodation, waiver, amendment, modification of terms or other similar events reflecting financial difficulties in connection with the Related Documents, in each case including posting a full copy thereof or a description of the material terms thereof (each such posting, an "EMMA Posting"). Except to the extent required by applicable law, including the Rule, the Lessee shall not file or submit or permit the filing or submission of any EMMA Posting that includes the following unredacted confidential information about the Lessor or its affiliates and any Escrow Agent in any portion of such EMMA Posting: address and account information of the Lessor or its affiliates and any Escrow Agent; e-mail addresses telephone numbers, fax numbers, names and signatures of officers, employees and signatories of the Lessor or its affiliates and any Escrow Agent; and the form of Disbursement Request that is attached to the Escrow Agreement.

The Lessee acknowledges and agrees that the Lessor and its affiliates are not responsible for the Lessee's or any other entity's (including, but not limited to, any broker-dealer's) compliance or noncompliance (or any claims, losses or liabilities arising therefrom) with the Rule, any Continuing Disclosure Agreement or any applicable securities or other laws, including but not limited to those relating to the Rule.

ARTICLE III

Section 3.01. Lease of Equipment. Subject to the terms and conditions of this Agreement, Lessor agrees to provide the funds specified in each Lease to be provided by it for Lessee to acquire the Equipment described in the related Equipment Schedule. Upon the execution and delivery of each Lease, Lessor thereby demises, leases and transfers to Lessee, and Lessee thereby acquires, rents and leases from Lessor, the Equipment as set forth in such Lease and in accordance with the terms thereof. The Lease Term for each Lease may be continued, solely at the option of Lessee, at the end of the Original Term or any Renewal Term for the next succeeding Renewal Term up to the maximum Lease Term set forth in such Lease. At the end of the Original Term and at the end of each Renewal Term until the maximum Lease Term has been completed, Lessee shall be deemed to have exercised its option to continue each Lease for the next Renewal Term unless Lessee shall have terminated such Lease pursuant to Section 3.03 or Section 10.01 of this Agreement. The terms and conditions during any Renewal Term shall be the same as the terms and conditions during the Original Term, except that the Rental Payments shall be as provided in the applicable Lease. Each Equipment Schedule signed and delivered by Lessor and Lessee pursuant to this Agreement shall constitute a separate and independent lease and installment purchase of the Equipment therein described.

Section 3.02. Continuation of Lease Term. Lessee intends, subject to Section 3.03 hereof, to continue the Lease Term of each Lease through the Original Term and all Renewal Terms and to pay the Rental Payments due thereunder. Lessee affirms that sufficient funds are legally available for the current fiscal year, and Lessee reasonably believes that an amount sufficient to make all Rental Payments during the entire Lease Term of each Lease can be obtained from legally available funds of Lessee. Lessee further intends to do all things lawfully within its power to obtain and maintain funds sufficient and available to discharge its obligation to make Rental Payments due under each Lease, including making provision for such payments to the extent necessary in each budget or appropriation request submitted and adopted in accordance with applicable provisions of law. Notwithstanding the foregoing, the decision whether or not to budget and appropriate funds or to extend the Lease Term for any Renewal Term for each Lease is within the sole discretion of the governing body of Lessee.

Section 3.03. Non-appropriation. Lessee is obligated only to pay such Rental Payments under each Lease as may lawfully be made during Lessee's then current fiscal year from funds budgeted and appropriated for that purpose. Should Lessee fail to budget, appropriate or otherwise make available funds to pay Rental Payments under any Lease following the then current Original Term or Renewal Term, such Lease or Leases shall be deemed terminated at the end of the then current Original Term or Renewal Term thereunder. Lessee agrees to deliver notice to Lessor of such termination promptly after any decision to non-appropriate is made, but failure to give such notice shall not extend the term beyond such Original Term or Renewal Term. If any Lease is terminated in accordance with this Section 3.03, Lessee agrees to cease use of the Equipment thereunder and peaceably remove and deliver to Lessor, at Lessee's sole expense (from legally available funds), such Equipment to Lessor at the location(s) to be specified by Lessor on or before the end of the applicable Original Term or Renewal Term for which Rental Payments have been appropriated for the applicable Lease (each, a "Non-

Appropriation Return Date"). Lessor may take whatever action at law or in equity as may be necessary or desirable to enforce Lessee's obligations in the immediately preceding sentence. Without limiting or reducing in any way Lessee's obligations in the second preceding sentence or Lessor's rights in the immediately preceding sentence, if the Lessee fails to return the Equipment to Lessor on or before the applicable Non-Appropriation Return Date pursuant to this Section 3.03, Lessee shall pay month-to-month rent at the Contract Rate (or the Taxable Rate if then in effect) set forth in the affected Lease for each month or part thereof that Lessee fails to return the Equipment thereunder pursuant to this Section 3.03.

- Section 3.04. Conditions to Lessor's Performance. (a) As a prerequisite to the performance by Lessor of any of its obligations pursuant to any Lease, Lessee shall deliver to Lessor, in form and substance satisfactory to Lessor, the following:
 - (i) A fully completed Equipment Schedule, executed by Lessee;
 - (ii) If an Escrow Account is to be established with respect to such Lease, an Escrow Agreement substantially in the form attached hereto as *Exhibit I*, satisfactory to Lessor and executed by Lessee and the Escrow Agent;
 - (iii) A certified copy of a resolution, ordinance or other official action of Lessee's governing body, substantially in the form attached hereto as *Exhibit C-1A* or *Exhibit C-1B*, as applicable, authorizing the execution and delivery of this Agreement and the applicable Lease and related Escrow Agreement, if any, entered into pursuant hereto and performance by Lessee of its obligations under this Agreement and the applicable Lease and related Escrow Agreement, if any, entered into pursuant hereto;
 - (iv) A Certificate completed and executed by the Clerk or Secretary or other comparable officer of Lessee, substantially in the form attached hereto as *Exhibit C-2A* or *Exhibit C-2B*, as applicable, completed to the satisfaction of Lessor;
 - (v) An opinion of counsel to Lessee, substantially in the form attached hereto as *Exhibit D*, and otherwise satisfactory to Lessor;
 - (vi) Evidence of insurance as required by Section 7.02 hereof;
 - (vii) All documents, including financing statements, affidavits, notices and similar instruments, which Lessor deems necessary or appropriate at that time pursuant to Section 6.02 hereof;
 - (viii) A waiver or waivers of interest in the Equipment from any mortgagee or any other party having an interest in the real estate on which the Equipment will be located and/or landlord of the real estate on which the Equipment will be located;
 - (ix) Reserved;

- (x) A copy of the Form 8038-G with respect to the Lease then being entered into, fully completed and executed by Lessee;
- (xi) In the event that Lessee is to be reimbursed for expenditures that it has paid more than sixty (60) days prior to the Commencement Date for the Lease then being entered into, evidence of the adoption of a reimbursement resolution or other official action covering the reimbursement from tax exempt proceeds of expenditures incurred not more than sixty (60) days prior to the date of such resolution;
- (xii) If any items of Equipment are motor vehicles, properly completed certificates of title or certificates of origin (or applications therefor) for such vehicles with Lessor's interest noted thereon in accordance with the instructions of Lessor;
- (xiii) Copies of invoices (and proofs of payment of such invoices, if Lessee seeks reimbursement) and bills of sale (if title to Equipment has passed to Lessee), to the extent required by Section 5.01(b) hereof;
- (xiv) Wire instructions for payments to be made to Vendors and Form W-9 from each such Vendor; and
- (xv) Such other items as are set forth in the related Equipment Schedule or are reasonably required by Lessor.
- (b) In addition to satisfaction of the conditions set forth in subsection (a) of this Section 3.04, the performance by Lessor of any of its obligations under the Related Documents shall be subject to: (i) no Material Adverse Change having occurred since the date of this Agreement, (ii) no Event of Default having occurred and then be continuing under any Lease then in effect, (iii) no Event of Non-appropriation under any Lease then in effect having occurred or being threatened, and (iv) no Lease having been terminated as the result of the occurrence of an Event of Default or an Event of Non-appropriation.
- (c) Subject to satisfaction of the foregoing, (i) Lessor will pay the Acquisition Amount for Equipment described in an Equipment Schedule to the Vendor or reimburse Lessee for its prior expenditures with respect to such Equipment (subject to satisfaction of Section 3.04(a)(xi) hereof), upon receipt of the documents described in Sections 5.01(a) and (b) hereof; or (ii) if an Escrow Account is being established with respect to the related Lease, Lessor will deposit the Acquisition Amount for Equipment described in the applicable Equipment Schedule with the Escrow Agent to be held and disbursed pursuant to the related Escrow Agreement.
- (d) This Agreement is not a commitment by Lessor or Lessee to enter into any Lease not currently in existence, and nothing in this Agreement shall be construed to impose any obligation upon Lessor or Lessee to enter into any proposed Lease, it being understood that whether Lessor or Lessee enters into any proposed Lease shall be a decision solely within their respective discretion.

- (e) Lessee will cooperate with Lessor in Lessor's review of any proposed Lease. Without limiting the foregoing, Lessee will provide Lessor with any documentation or information Lessor may request in connection with Lessor's review of any proposed Lease. Such documentation may include, without limitation, documentation concerning the Equipment and its contemplated use and location and documentation or information concerning the financial status of Lessee and other matters related to Lessee.
- (f) In the event of any conflict in terms between an Equipment Schedule and this Agreement, the terms of the Equipment Schedule shall control in the interpretation of the Lease created thereby.

ARTICLE IV

Section 4.01. Rental Payments. Subject to Section 3.03 of this Agreement, Lessee shall promptly pay Rental Payments, in lawful money of the United States of America, to Lessor on the Rental Payment Dates and in such amounts as provided in each Lease. If any Rental Payment or other amount payable hereunder is not paid within ten (10) days of its due date, Lessee shall pay an administrative late charge of five percent (5%) of the amount not timely paid or the maximum amount permitted by law, whichever is less. Lessee shall not permit the Federal Government to guarantee any Rental Payments under any Lease. Rental Payments consist of principal and interest components as more fully detailed on the Payment Schedule for each Lease, the interest on which begins to accrue as of the Commencement Date for each such Lease.

Section 4.02. Interest and Principal Components. A portion of each Rental Payment is paid as, and represents payment of, interest, and the balance of each Rental Payment is paid as, and represents payment of, principal. Each Lease shall set forth the principal and interest components of each Rental Payment payable thereunder during the applicable Lease Term.

Section 4.03. Rental Payments to Constitute a Current Expense of Lessee. Lessor and Lessee understand and intend that the obligation of Lessee to pay Rental Payments under each Lease shall constitute a current expense of Lessee payable solely from its general fund or other funds that are legally available for that purpose and shall not in any way be construed to be a debt of Lessee in contravention of any applicable constitutional or statutory limitation or requirement concerning the creation of indebtedness by Lessee, nor shall anything contained in this Agreement or in any Lease constitute a pledge of the general tax revenues, funds or moneys of Lessee.

Section 4.04. Rental Payments to be Unconditional. Except as provided in Section 3.03 of this Agreement, the obligations of Lessee to make Rental Payments and to perform and observe the other covenants and agreements contained in each Lease shall be absolute and unconditional in all events without abatement, diminution, deduction, set-off or defense, for any reason, including without limitation any failure of the Equipment, disputes with the Lessor or the Vendor of any Equipment, any defects, malfunctions, breakdowns or infirmities in the Equipment or any accident, condemnation or unforeseen circumstances or failure of any Vendor to deliver any Equipment or otherwise perform any of its obligations for whatever reason,

including bankruptcy, insolvency, reorganization or any similar event with respect to any Vendor.

Section 4.05 Tax Covenants. Lessee agrees that it will not take any action that would cause the interest component of Rental Payments to be or to become ineligible for the exclusion from gross income of the owner or owners thereof for Federal income tax purposes, nor will it omit to take or cause to be taken, in a timely manner, any action, which omission would cause the interest component of Rental Payments to be or to become ineligible for the exclusion from gross income of the owner or owners thereof for Federal income tax purposes. In connection with the foregoing, Lessee hereby agrees that (a) so long as any Rental Payments under a Lease remain unpaid, moneys on deposit in the Escrow Account under any Escrow Agreement related to such Lease shall not be used in a manner that will cause such Lease to be classified as an "arbitrage bond" within the meaning of Section 148(a) of the Code; and (b) Lessee shall rebate, from funds legally available for the purpose, an amount equal to excess earnings on the Escrow Account under any Escrow Agreement to the Federal Government if required by, and in accordance with, Section 148(f) of the Code, and make the determinations and maintain the records required by the Code.

Section 4.06. Event of Taxability. Upon the occurrence of an Event of Taxability with respect to a Lease, the interest component of Rental Payments under such Lease and any charge on Rental Payments or other amounts payable based on the Contract Rate shall have accrued and be payable at the Taxable Rate applicable to such Lease retroactive to the date as of which the interest component is determined by the Internal Revenue Service to be includible in the gross income of the owner or owners thereof for Federal income tax purposes (which retroactive date for such Lease shall be the earliest date as of which the interest component of any Rental Payment for such Lease is deemed includible in the gross income of the owner or owners thereof for Federal income tax purposes, which may be earlier than the date of delivery of such determination by the Internal Revenue Service), and Lessee will pay such additional amount as will result in the owner receiving the interest component at the Taxable Rate identified in the related Lease.

For purposes of this Section, "Event of Taxability" means the circumstance of the interest component of any Rental Payment paid or payable pursuant to a Lease becoming includible for Federal income tax purposes in an owner's gross income as a consequence of any act, omission or event whatsoever, including but not limited to the matters described in the immediately succeeding sentence, and regardless of whether the same was within or beyond the control of Lessee. An Event of Taxability shall be presumed to have occurred upon (a) the receipt by Lessor or Lessee of an original or a copy of an Internal Revenue Service Technical Advice Memorandum or Statutory Notice of Deficiency or other written correspondence which legally holds that the interest component of any Rental Payment under such Lease is includable in the gross income of the owner thereof; (b) the issuance of any public or private ruling of the Internal Revenue Service that the interest component of any Rental Payment under such Lease is includable in the gross income of the owner thereof; or (c) receipt by Lessor or Lessee of a written opinion of a nationally recognized firm of attorneys experienced in matters pertaining to the tax-exempt status of interest on obligations issued by states and their political subdivisions,

selected by Lessor and acceptable to Lessee, to the effect that the interest component of any Rental Payment under a Lease has become includable in the gross income of the owner thereof for Federal income tax purposes. For all purposes of this definition, an Event of Taxability shall be deemed to occur on the date as of which the interest component of any Rental Payment is deemed includable in the gross income of the owner thereof for Federal income tax purposes.

Section 4.07. Mandatory Prepayment. If the Acquisition Amount for a Lease is deposited into an Escrow Account, any funds not applied to Equipment Costs and remaining in such Escrow Account on the earlier of (a) the expiration of the applicable Acquisition Period, (b) the date on which Lessee delivers to the Lessor the executed Disbursement Request to effect the final disbursement to pay (or reimburse) Equipment Costs from such Escrow Account or (c) a termination of the Escrow Account as provided in the Escrow Agreement shall be applied by Lessor on each successive Rental Payment Date thereafter to pay all or a portion of the Rental Payment due and owing in the succeeding twelve (12) months and any remaining amounts shall be applied by Lessor as prepayment to the applicable unpaid Principal Portion of Rental Payments owing under the related Lease in the inverse order of the Rental Payment Dates.

ARTICLE V

- Section 5.01. Acquisition, Delivery Installation and Acceptance of Equipment. (a) With respect to each Lease, Lessee shall order the Equipment to be acquired and financed thereunder, cause the Equipment to be delivered and installed at the location specified in such Lease and pay any and all delivery and installation costs and other Equipment Costs in connection therewith. When the Equipment listed in a Lease has been delivered and installed, Lessee shall promptly accept such Equipment and evidence said acceptance by executing and delivering to Lessor a Final Acceptance Certificate in the form attached hereto as Exhibit E; provided, however, that if an Escrow Account has been established with respect to such Lease as provided in Section 3.04 hereof, Lessee shall execute and deliver Disbursement Requests to the Lessor pursuant to the related Escrow Agreement for the purpose of effecting disbursements from the Escrow Account to pay (or reimburse) Equipment Costs for the Equipment so acquired and installed pursuant to such Lease. In connection with the execution and delivery by Lessee to Lessor of the final Disbursement Request under the applicable Escrow Agreement for a Lease, Lessee shall deliver to Lessor a "Final Acceptance Certificate" in the form attached hereto as Exhibit E.
- (b) (i) With respect to a Lease entered into without an Escrow Agreement, Lessee shall deliver to Lessor copies of invoices (and proof of payment of such invoices if Lessee seeks reimbursement for prior expenditures) and bills of sale (if title to such Equipment has passed to Lessee) relating to each item of Equipment accepted by Lessee. Lessee shall execute and deliver to Lessor an Equipment Schedule pursuant to Section 3.04(a)(i) within 5 business days of receipt from Lessor, subject to satisfaction of the conditions set forth in Section 3.04.
- (ii) With respect to a Lease entered into with an Escrow Agreement, Lessor shall prepare an Equipment Schedule. In connection with the execution and delivery of the related Escrow Agreement, Lessee shall execute and deliver to Lessor such Equipment Schedule pursuant to Section 3.04(a)(i) within 5 business days of receipt, subject to satisfaction of the

conditions set forth in Section 3.04. Lessee shall deliver to Lessor together with each Disbursement Request invoices (and proof of payment of such invoices if Lessee seeks reimbursement for prior expenditures) and bills of sale or other evidence of title transfer to Lessee relating to each item of Equipment accepted by Lessee as evidenced by such Disbursement Request. Once approved, Lessor shall deliver such Disbursement Request to the Escrow Agent for disbursement from the Escrow Account in accordance with the Escrow Agreement.

Section 5.02. Quiet Enjoyment of Equipment. So long as no Event of Default exists under the related Lease, neither Lessor nor any entity claiming by, through or under Lessor, shall interfere with Lessee's quiet use and enjoyment of the Equipment during the Lease Term under such Lease.

Section 5.03. Location; Inspection. Once installed, no item of the Equipment will be moved or relocated from the location (or the base location with respect to motor vehicles) specified for it in the related Lease without Lessor's prior written consent, which consent shall not be unreasonably withheld. Lessor shall have the right at all reasonable times during regular business hours to enter into and upon the property where the Equipment is located for the purpose of inspecting the Equipment.

Section 5.04. Use and Maintenance of the Equipment. Lessee shall not install, use, operate or maintain the Equipment (or cause the Equipment to be installed, used, operated or maintained) improperly, carelessly, in violation of any applicable law or in a manner contrary to that contemplated by the related Lease. Lessee shall provide all permits and licenses, if any, necessary for the installation and operation of the Equipment. In addition, Lessee agrees to comply in all respects with all applicable laws, regulations and rulings of any legislative, executive, administrative or judicial body, including, without limitation, all anti-money laundering laws and regulations; provided that Lessee may contest in good faith the validity or application of any such law, regulation or ruling in any reasonable manner that does not, in the opinion of Lessor, adversely affect the interest of Lessor in and to the Equipment or its interest or rights under the related Lease.

Lessee agrees that it shall maintain, preserve and keep the Equipment in good repair and working order, in a condition comparable to that recommended by the manufacturer. Lessor shall have no responsibility to maintain, repair or make improvements or additions to the Equipment. In all cases, Lessee agrees to pay any costs necessary for the manufacturer to re-certify the Equipment as eligible for manufacturer's maintenance upon the return of the Equipment to Lessor as provided for in Sections 3.03 and 12.02(b) of this Agreement.

Lessee shall not alter any item of Equipment or install any accessory, equipment or device on an item of Equipment if that would impair any applicable warranty, the originally intended function or the value of that Equipment. All repairs, parts, accessories, equipment and devices furnished, affixed to or installed on any Equipment, excluding temporary replacements, shall thereupon become subject to the security interest of Lessor.

ARTICLE VI

Section 6.01. Title to the Equipment. During the Lease Term under each Lease, and so long as Lessee is either not in default under Article XII hereof or an Event of Non-appropriation has not occurred, all right, title and interest in and to each item of the Equipment under the related Lease shall be vested in Lessee immediately upon its acceptance of each item of Equipment, subject to the terms and conditions hereof and under the applicable Lease. Lessee shall at all times protect and defend, at its own cost and expense, its title, and Lessor's first priority security interest, in and to the Equipment (and Lessor's other Collateral as defined in Section 6.02 hereof) from and against all claims, liens and legal processes of its creditors, and keep all Equipment (and such other Collateral) free and clear of all such claims, liens and processes. Upon the occurrence of an Event of Default under a Lease or upon termination of a Lease pursuant to Section 3.03 hereof, full and unencumbered legal title to the Equipment shall, at Lessor's option, pass to Lessor, and Lessee shall have no further interest therein. In addition, upon the occurrence of such an Event of Default or such termination, Lessee shall execute and deliver to Lessor such documents as Lessor may request to evidence the passage of such legal title to Lessor and the termination of Lessee's interest therein, and upon request by Lessor shall deliver possession of the Equipment to Lessor in accordance with Section 3.03 or 12.02 of this Agreement, as applicable. Upon payment of all amounts due and owing under a Lease by Lessee in accordance with Section 10.01 hereof (including upon payment of all Rental Payments and other amounts payable under such Lease), Lessor's security interest or other interest in the Equipment under such Lease shall terminate, and Lessor shall execute and deliver to Lessee such documents as Lessee may request to evidence the termination of Lessor's security interest in the Equipment subject to the related Lease.

Section 6.02. Security Interest. As additional security for the payment and performance of all of Lessee's obligations under each Lease, upon the execution of such Lease, Lessee hereby grants to Lessor a first priority security interest constituting a first lien on (a) the Equipment subject to such Lease, (b) moneys and investments held from time to time in any related Escrow Account and (c) any and all proceeds of any of the foregoing, including, without limitation, insurance proceeds (collectively, the "Collateral"). Upon the execution of each Lease, Lessee authorizes Lessor to file (and Lessee agrees to execute, if applicable) such notices of assignment, chattel mortgages, financing statements and other documents, in form satisfactory to Lessor, which Lessor deems necessary or appropriate to establish and maintain Lessor's security interest in the Collateral, including, without limitation, such financing statements with respect to personal property and fixtures under Article 9 of the Uniform Commercial Code in effect in the State and treating such Article 9 as applicable to entities such as Lessee.

Section 6.03. Personal Property; No Encumbrances. Lessee agrees that the Equipment is deemed to be and will remain personal property and will not be deemed to be affixed to or a part of the real estate on which it may be situated, notwithstanding that the Equipment or any part thereof may be or hereafter become in any manner physically affixed or attached to real estate or any building thereon. Lessee shall not create, incur, assume or permit to exist any mortgage, pledge, lien, security interest, charge or other encumbrance of any nature whatsoever on any of the real estate where the Equipment under a Lease is or will be located or enter into any

agreement to sell or assign or enter into any sale/leaseback arrangement of such real estate without the prior written consent of Lessor; *provided*, that if Lessor or its assigns is furnished with a waiver of interest in the Equipment under such Lease acceptable to Lessor or its assigns in their respective discretion from any party taking an interest in any such real estate prior to such interest taking effect, such consent shall not be unreasonably withheld.

ARTICLE VII

Section 7.01. Liens, Taxes, Other Governmental Charges and Utility Charges. Lessee shall keep the Equipment under each Lease free of all levies, liens, and encumbrances except those created by such Lease. The parties to this Agreement contemplate that the Equipment under each Lease will be used for a governmental or proprietary purpose of Lessee and that the Equipment will therefore be exempt from all property taxes. If the lease, sale, purchase, operation, use, possession or acquisition of any Equipment is nevertheless determined to be subject to taxation, Lessee shall pay when due all taxes and governmental charges lawfully assessed or levied against or with respect to such Equipment. Lessee shall pay all utility and other charges incurred in the operation, use and maintenance of the Equipment. Lessee shall pay such taxes, assessments or charges as the same may become due; provided that, with respect to any such taxes, assessments or charges that may lawfully be paid in installments over a period of years, Lessee shall be obligated to pay only such installments as accrue during the Lease Term under the affected Lease. During the Lease Term under each Lease, Lessor will not claim ownership of the Equipment thereunder for the purposes of any tax credits, benefits or deductions with respect to such Equipment.

Insurance. Lessee shall, during the Lease Term under each Lease, maintain or cause to be maintained (a) casualty insurance naming Lessor and its assigns as loss payee and insuring the Equipment against loss or damage by fire and all other risks covered by the standard extended coverage endorsement then in use in the State, and any other risks reasonably required by Lessor, in an amount at least equal to the greater of (i) the then applicable Casualty Value of the Equipment under such Lease or (ii) the replacement cost of such Equipment; (b) liability insurance naming Lessor and its assigns as additional insured that protects Lessor from liability for bodily injury and property damage coverage (i) in such coverage amounts as may be required by Lessor for the applicable Equipment or (ii) in such minimum coverage amounts as may be agreed upon between Lessor and Lessee in connection with the execution and delivery of a Lease, and in all events under clauses (a) and (b) issued in form and amount satisfactory to Lessor and by an insurance company that is authorized to do business in the State and having a financial strength rating by A.M. Best Company of "A-" or better; and (c) worker's compensation coverage as required by the laws of the State. Notwithstanding the foregoing, Lessee may self-insure against the risks described in clauses (a) and/or (b) through a government pooling arrangement, self-funded loss reserves, risk retention program or other self-insurance program, in each case with Lessor's prior consent (which Lessor may grant, withhold or deny in its sole discretion) and provided that Lessee has delivered to Lessor such information as Lessor may request with respect to the adequacy of such self-insurance to cover the risks proposed to be self-insured and otherwise in form and substance acceptable to Lessor. In the event Lessee is permitted, at Lessor's sole discretion, to self-insure as provided in this Section 7.02, Lessee shall

provide to Lessor a self-insurance letter in substantially the form attached hereto as *Exhibit F*. Lessee shall furnish to Lessor evidence of such insurance or self-insurance coverage throughout the Lease Term under each Lease. Lessee shall not cancel or modify such insurance or self-insurance coverage in any way that would affect the interests of Lessor without first giving written notice thereof to Lessor at least thirty (30) days in advance of such cancellation or modification.

Risk of Loss. Whether or not covered by insurance or self-insurance, Lessee Section 7.03. hereby assumes all risk of loss of, or damage to and liability related to injury or damage to any persons or property arising from the Equipment under any Lease from any cause whatsoever, and no such loss of or damage to or liability arising from the Equipment under any Lease shall relieve Lessee of the obligation to make the Rental Payments or to perform any other obligation under any Lease. Whether or not covered by insurance or self-insurance, Lessee hereby agrees to reimburse Lessor (to the fullest extent permitted by applicable law, but only from legally available funds) for any and all liabilities, obligations, losses, costs, claims, taxes or damages suffered or incurred by Lessor, regardless of the cause thereof and all expenses incurred in connection therewith (including, without limitation, counsel fees and expenses, and penalties connected therewith imposed on interest received) arising out of or as a result of (a) entering into this Agreement or any Lease or any of the transactions contemplated hereby or thereby, (b) the ordering, acquisition, ownership, use, operation, condition, purchase, delivery, acceptance, rejection, storage or return of any item of the Equipment under any Lease, (c) any accident in connection with the operation, use, condition, possession, storage or return of any item of the Equipment under any Lease resulting in damage to property or injury to or death to any person, and/or (d) the breach of any covenant of Lessee under or in connection with this Agreement or any Lease or any material misrepresentation provided by Lessee under or in connection with this Agreement or any Lease. The provisions of this Section 7.03 shall continue in full force and effect notwithstanding the full payment of all obligations under any or all Leases or the termination of the Lease Term under any or all Leases for any reason.

Section 7.04. Advances. In the event Lessee shall fail to keep the Equipment in good repair and working order or shall fail to maintain any insurance required by Section 7.02 hereof, Lessor may, but shall be under no obligation to, maintain and repair the Equipment or obtain and maintain any such insurance coverages, as the case may be, and pay the cost thereof. All amounts so advanced by Lessor shall constitute additional rent for the then current Original Term or Renewal Term under the affected Lease, and Lessee covenants and agrees to pay such amounts so advanced by Lessor with interest thereon from the due date until paid at a rate equal to the Contract Rate (or the Taxable Rate if then in effect) plus five percent (5%) per annum or the maximum amount permitted by law, whichever is less.

ARTICLE VIII

Section 8.01. Damage, Destruction and Condemnation. If, prior to the termination of the Lease Term under the related Lease, (a) the Equipment or any portion thereof is destroyed, in whole or in part, or is damaged by fire or other casualty or (b) title to, or the temporary use of,

the Equipment or any part thereof shall be taken under the exercise or threat of the power of eminent domain by any governmental body or by any person, firm or corporation acting pursuant to governmental authority, (i) Lessee and Lessor will cause the Net Proceeds of any insurance claim or condemnation award or sale under threat of condemnation to be applied to the prompt replacement, repair, restoration, modification or improvement of the Equipment or such part thereof and any balance of the Net Proceeds remaining after such work has been completed shall be paid to Lessee or (ii) Lessee shall exercise its option to prepay the obligations under the affected Lease in accordance with Section 10.01(b) hereof.

If Lessee elects to replace any item of the Equipment (the "Replaced Equipment") pursuant to this Section 8.01, the replacement equipment (the "Replacement Equipment") shall be new or of a quality type, utility and condition at least as good as the Replaced Equipment and shall be of equal or greater value than the Replaced Equipment as determined and approved by Lessor in its sole discretion. Lessee shall grant to Lessor a first priority security interest in any such Replacement Equipment. Lessee shall represent, warrant and covenant to Lessor that each item of Replacement Equipment is free and clear of all claims, liens, security interests and encumbrances, excepting only those liens created by or through Lessor, and shall provide to Lessor any and all documents as Lessor may reasonably request in connection with the replacement, including, but not limited to, documentation in form and substance satisfactory to Lessor evidencing Lessor's security interest in the Replacement Equipment. Lessor and Lessee hereby acknowledge and agree that any Replacement Equipment acquired pursuant to this paragraph shall constitute "Equipment" for purposes of this Agreement and the related Lease. Lessee shall complete the documentation of Replacement Equipment on or before the next Rental Payment Date after the occurrence of a casualty event, or be required to prepay the obligations under the related Lease with respect to the damaged Equipment for an amount that shall be determined and approved by Lessor in its sole discretion.

For purposes of this Article VIII, the term "Net Proceeds" shall mean the amount remaining from the gross proceeds of any insurance claim or condemnation award or sale under threat of condemnation after deducting all expenses, including attorneys' fees, incurred in the collection thereof.

Section 8.02. Insufficiency of Net Proceeds. If the Net Proceeds are insufficient to pay in full the cost of any repair, restoration, modification or improvement referred to in Section 8.01, Lessee shall either (a) complete such replacement, repair, restoration, modification or improvement and pay any costs thereof in excess of the amount of the Net Proceeds, or (b) pay or cause to be paid to Lessor the amount of the then applicable Casualty Value under the related Lease plus all other amounts then owing thereunder, and, upon such payment, the applicable Lease Term shall terminate and Lessor's security interest in the Equipment shall terminate as provided in Section 6.01 hereof. The amount of the Net Proceeds remaining, if any, after completing such repair, restoration, modification or improvement or after paying such Casualty Value for such Lease plus all other amounts then owing thereunder shall be retained by Lessee. If Lessee shall make any payments pursuant to this Section 8.02, Lessee shall not be entitled to any reimbursement therefor from Lessor nor shall Lessee be entitled to any diminution of the amounts payable under Article IV.

ARTICLE IX

Section 9.01. Disclaimer of Warranties. Lessor makes no warranty or representation, either express or implied, as to the value, design, condition, merchantability or fitness for particular purpose or fitness for use of any of the Equipment under each Lease, or any other warranty or representation, express or implied, with respect thereto and, as to Lessor, Lessee's acquisition of the Equipment under each Lease shall be on an "as is" basis. In no event shall Lessor be liable for any incidental, indirect, special or consequential damage in connection with or arising out of this Agreement, any Lease, any Equipment or the existence, furnishing, functioning or Lessee's use of any item, product or service provided for in this Agreement or any Lease.

Section 9.02. Vendor Agreements; Warranties. Lessee covenants that it shall not in any material respect amend, modify, rescind or alter any Vendor Agreement for any Lease without the prior written consent of Lessor. Lessor hereby irrevocably appoints Lessee its agent and attorney-in-fact during the Lease Term under each Lease, so long as Lessee shall not be in default under such Lease, to assert from time to time whatever claims and rights (including without limitation warranties) relating to the Equipment that Lessor may have against a Vendor. Lessee's sole remedy for the breach of such warranty, indemnification or representation shall be against the applicable Vendor of the Equipment and not against Lessor. Any such matter shall not have any effect whatsoever on the rights and obligations of Lessor with respect to any Lease, including the right to receive full and timely Rental Payments and other payments under each Lease. Lessee expressly acknowledges that Lessor makes, and has made, no representations or warranties whatsoever as to the existence or the availability of such warranties relating to any of the Equipment under each Lease.

ARTICLE X

Section 10.01. Prepayment; Payment in Full.

- (a) *Prepayment*. Lessee shall have the option to prepay or satisfy all, but not less than all, of its obligations under a Lease, at the following times and upon the following terms:
 - (i) Optional Prepayment. From and after the date specified (if any) in the applicable Payment Schedule (the "Prepayment Option Commencement Date"), on the Rental Payment Dates specified in such Payment Schedule, upon not less than thirty (30) days prior written notice, and upon payment in full of the sum of all Rental Payments then due under the related Lease plus the then applicable Prepayment Price, which may include a prepayment premium on the unpaid Outstanding Balance as set forth in such Payment Schedule plus all other amounts then owing thereunder; or
 - (ii) Casualty or Condemnation Prepayment. In the event of substantial damage to or destruction or condemnation of substantially all of the Equipment listed in a Lease, on the day specified in Lessee's notice to Lessor of its exercise of the prepayment

option (which shall be the earlier of the next Rental Payment Date or sixty (60) days after the casualty event) upon payment in full to Lessor of (A) in the event such prepayment occurs on a Rental Payment Date, the sum of (i) all Rental Payments then due under such Lease plus (ii) the then applicable Casualty Value for such Lease plus (iii) all other amounts then owing thereunder OR, (B) in the event such prepayment for such Lease occurs on a date other than a Rental Payment Date, the sum of (i) the applicable Casualty Value shown on the Payment Schedule for such Lease for the Rental Payment Date immediately preceding the applicable date of such prepayment (or if the date of such prepayment occurs prior to the first Rental Payment Date for such Lease, the earliest Casualty Value shown on the related Payment Schedule) plus (ii) accrued interest at the Contract Rate (or the Taxable Rate if then in effect) on the Outstanding Balance as of the Rental Payment Date immediately preceding the applicable date of such prepayment from such Rental Payment Date (or if the date of such prepayment occurs prior to the first Rental Payment Date, the Commencement Date for such Lease) to the date of such prepayment plus (iii) all other amounts then owing thereunder.

- (b) Payment in Full. Upon the expiration of the Lease Term under a Lease, the payment in full of all Rental Payments then due and all other amounts then owing under such Lease by Lessee to Lessor.
- (c) Lessor's security interests in and to the related Equipment under such Lease will be terminated and Lessee will own such Equipment free and clear of Lessor's security interest in such Equipment after either (i) payment of either (A) the applicable Prepayment Price and all other amounts then owing under a Lease in accordance with Section 10.01(a)(i) of this Agreement or (B) the applicable Casualty Value and all other amounts then owing under a Lease in accordance with Section 10.01(a)(ii) of this Agreement or (ii) upon the expiration of the Lease Term of a Lease and payment in full of all Rental Payments then due and all other amounts then owing thereunder in accordance with Section 10.01(b) of this Agreement.

ARTICLE XI

Section 11.01. Assignment by Lessor. (a) Lessor's right, title and interest in and to the Rental Payments and any other amounts payable by Lessee under any and all of the Leases and the Escrow Agreement relating to any Lease, its security interest in the Equipment subject to the related Lease and in any related Escrow Account, and all proceeds therefrom (collectively, with respect to each Lease and related Escrow Agreement, the "Related Assigned Rights"), may be assigned and reassigned by Lessor at any time, in whole or in part, to one or more assignees or sub-assignees without the necessity of obtaining the consent of Lessee; provided, that any such assignment, transfer or conveyance (i) shall be made only to investors each of whom Lessor reasonably believes is a "qualified institutional buyer" as defined in Rule 144A(a)(1) promulgated under the Securities Act of 1933, as amended, or an "accredited investor" as defined in Section 501(a)(1), (2), (3) or (7) of Regulation D promulgated under the Securities Act of 1933, as amended, and in either case is purchasing the Related Assigned Rights (or any interest therein) for its own account with no present intention to resell or distribute such Related Assigned Rights (or interest therein), subject to each investor's right at any time to dispose of the

Related Assigned Rights (or any interest therein) as it determines to be in its best interests, (ii) shall not result in more than 35 owners of the Related Assigned Rights with respect to a Lease or the creation of any interest in the Related Assigned Rights with respect to a Lease in an aggregate principal component that is less than \$100,000 and (iii) shall not require Lessee to make Rental Payments, to send notices or otherwise to deal with respect to matters arising under the Related Assigned Rights with respect to a Lease with or to more than one Lease Servicer (as such term is defined below), and any trust agreement, participation agreement or custodial agreement under which multiple ownership interests in the Related Assigned Rights with respect to a Lease are created shall provide the method by which the owners of such interests shall establish the rights and duties of a single entity, trustee, owner, servicer or other fiduciary or agent acting on behalf of all of the assignees (herein referred to as the "Lease Servicer") to act on their behalf with respect to the Related Assigned Rights with respect to a Lease, including with respect to the exercise of rights and remedies of Lessor on behalf of such owners upon the occurrence of an Event of Default or an Event of Non-appropriation under the related Lease. Lessor and Lessee hereby acknowledge and agree that the restrictions and limitations on transfer as provided in this Section 11.01 shall apply to the first and subsequent assignees and sub-assignees of any of the Related Assigned Rights with respect to a Lease (or any interest therein).

- Unless to an affiliate controlling, controlled by or under common control with Lessor, no assignment, transfer or conveyance permitted by this Section 11.01 shall be effective as against Lessee until Lessee shall have received a written notice of assignment that discloses the name and address of each such assignee; provided, that if such assignment is made to a bank or trust company as trustee or paying agent for owners of certificates of participation, participation interests, trust certificates or partnership interests with respect to the Rental Payments payable under a Lease, it shall thereafter be sufficient that Lessee receives notice of the name and address of the bank, trust company or other entity that acts as the Lease Servicer for such Lease. Notices of assignment provided pursuant to this Section 11.01(b) shall contain a confirmation of compliance with the transfer requirements imposed by Section 11.01(a) hereof. During the Lease Term under each Lease, Lessee shall keep, or cause to be kept, a complete and accurate record of all such assignments in form necessary to comply with Section 149 of the Code. Lessee shall retain all such notices as a register of all assignees and shall make all payments to the assignee or assignees or Lease Servicer last designated in such register. Lessee shall not have the right to and shall not assert against any assignee any claim, counterclaim or other right Lessee may have against Lessor or any Vendor. Assignments in part may include, without limitation, assignment of all of Lessor's security interest in and to the Equipment listed in a particular Lease and all rights in, to and under the Lease related to such Equipment and all of Lessor's security interest in and to the related Escrow Account, or all rights in, to and under the related Escrow Agreement.
- (c) If Lessor notifies Lessee of its intent to assign a Lease, Lessee agrees that it shall execute and deliver to Lessor a Notice and Acknowledgement of Assignment with respect to such Lease, substantially in the form of *Exhibit H* attached hereto, within five (5) business days after its receipt of such request.

Section 11.02. Assignment and Subleasing by Lessee. None of Lessee's right, title and interest in, to and under this Agreement, any Lease or any portion of the Equipment, any Escrow Agreement or the Escrow Account related thereto may be assigned, encumbered or subleased by Lessee for any reason, and any purported assignment, encumbrance or sublease without Lessor's prior written consent shall be null and void.

ARTICLE XII

Section 12.01. Events of Default Defined. Any of the following events shall constitute an "Event of Default" under a Lease:

- (a) Failure by Lessee to (i) pay any Rental Payment or other payment required to be paid under any Lease within ten (10) days of the date when due as specified therein, (ii) maintain insurance as required under such Lease (including Section 7.02 of this Agreement, which is incorporated therein), or (iii) observe and perform any covenant, condition or agreement on its part to be observed or performed under Section 6.01 or 6.02 hereof for any Lease;
- (b) Failure by Lessee to observe and perform any covenant, condition or agreement contained in this Agreement or any Lease on its part to be observed or performed, other than as referred to in subsection (a) above, for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied is given to Lessee by Lessor, unless Lessor shall agree in writing to an extension of such time prior to its expiration; *provided* that, if the failure stated in the notice cannot be corrected within the applicable period, Lessor will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by Lessee within the applicable period and diligently pursued until the default is corrected;
- (c) Any statement, representation or warranty made by Lessee in or pursuant to this Agreement or any Lease or its execution, delivery or performance shall prove to have been false, incorrect, misleading or breached in any material respect on the date when made:
- (d) Any default occurs under any other agreement for borrowing money, lease financing of property or otherwise receiving credit under which Lessee is an obligor, if such default (i) arises under any other agreement for borrowing money, lease financing of property or provision of credit provided by Lessor or any affiliate of Lessor (including, without limitation, the occurrence of any Event of Default under any other Lease), or (ii) arises under any obligation under which there is outstanding, owing or committed an aggregated amount in excess of \$100,000.00;
- (e) Lessee shall (i) apply for or consent to the appointment of a receiver, trustee, custodian or liquidator of Lessee, or of all or a substantial part of the assets of Lessee, (ii) be unable, fail or admit in writing its inability generally to pay its debts as they become due, (iii) make a general assignment for the benefit of creditors, (iv) have an

order for relief entered against it under applicable Federal bankruptcy law, or (v) file a voluntary petition in bankruptcy or a petition or an answer seeking reorganization or an arrangement with creditors or taking advantage of any insolvency law or any answer admitting the material allegations of a petition filed against Lessee in any bankruptcy, reorganization, moratorium or insolvency proceeding; or

- (f) An order, judgment or decree shall be entered by any court of competent jurisdiction, approving a petition or appointing a receiver, trustee, custodian or liquidator for Lessee or of all or a substantial part of the assets of Lessee, in each case without its application, approval or consent, and such order, judgment or decree shall continue unstayed and in effect for any period of thirty (30) consecutive days.
- Section 12.02. Remedies on Default. Whenever any Event of Default exists under any Lease, Lessor shall have the right, at its sole option without any further demand or notice, to take one or any combination of the following remedial steps with respect to any or all Leases with an Event of Default under this Agreement, including those with an Event of Default pursuant to Section 12.01(d) (each a "Defaulted Lease"):
 - (a) By written notice to Lessee, Lessor may declare all Rental Payments payable by Lessee pursuant to one or more Defaulted Leases and other amounts payable by Lessee under each such Defaulted Lease to the end of the then current Original Term or Renewal Term to be immediately due and payable;
 - With or without terminating the Lease Term under any one or more Defaulted Leases, Lessor may enter the premises where the Equipment listed in any one or more of each such Defaulted Leases is located and retake possession of such Equipment or require Lessee at Lessee's expense to promptly return any or all of such Equipment to the possession of Lessor at such place within the United States as Lessor shall specify, and sell or lease such Equipment or, for the account of Lessee, sublease such Equipment, continuing to hold Lessee liable, but solely from legally available funds, for the difference between (i) the Rental Payments payable by Lessee pursuant to each such Defaulted Lease and other amounts related to each such Defaulted Lease that are payable by Lessee to the end of the then current Original Term or Renewal Term, as the case may be, and (ii) the net proceeds of any such sale, leasing or subleasing (after deducting all expenses of Lessor in exercising its remedies under each such Defaulted Lease, including without limitation all expenses of taking possession, storing, reconditioning and selling or leasing such Equipment and all brokerage, auctioneer's and attorney's fees), subject, however, to the provisions of Section 3.03 of this Agreement. The exercise of any such remedies respecting any such Event of Default under any such Defaulted Lease shall not relieve Lessee of any other liabilities under each such Defaulted Lease or any other Lease that Lessor determines not to treat as a Defaulted Lease or with respect to the Equipment listed therein;
 - (c) Lessor may terminate the Escrow Agreement relating to any one or more of such Defaulted Leases and apply any proceeds in each such applicable Escrow

Account thereunder to the Rental Payments scheduled to be paid under any one or more of such Defaulted Leases as Lessor shall determine; and/or

- (d) Lessor may take whatever action at law or in equity as may appear necessary or desirable to enforce its rights under any one or more of such Defaulted Leases or each such Escrow Agreement relating thereto or as a secured party in any or all of the Equipment subject to any one or more of such Defaulted Leases or with respect to the related Escrow Account for one or more of such Defaulted Leases.
- Section 12.03. No Remedy Exclusive. No remedy herein conferred upon or reserved to Lessor is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder and/or under any Lease now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle Lessor to exercise any remedy reserved to it in this Article XII it shall not be necessary to give any notice other than such notice as may be required in this Article XII.
- Section 12.04. Application of Moneys. Any net proceeds from the exercise of any remedy under this Agreement, including the application specified in Section 12.02(b)(ii) (after deducting all expenses of Lessor in exercising such remedies including without limitation all expenses of taking possession, storing, reconditioning and selling or leasing Equipment and all brokerage, auctioneer's or attorney's fees), shall be applied as follows:
 - (a) If such remedy is exercised solely with respect to a single Defaulted Lease, Equipment listed in such Defaulted Lease or rights thereunder, then to amounts due pursuant to such Defaulted Lease and to other amounts related to such Defaulted Lease or such Equipment.
 - (b) If such remedy is exercised with respect to more than one Defaulted Lease, Equipment listed in more than one Defaulted Lease or rights under more than one Defaulted Lease, then to amounts due pursuant to one or more of such Defaulted Leases as Lessor shall determine and distribute on a pro rata basis or on such other basis as Lessor shall determine.

SUBJECT: Federal American Rescue Plan Act (ARPA) Funds

DATE: August 11, 2021

At the April 2021 UFA Board meeting, the Board passed a motion asking staff to request that funding from the American Rescue Plan be distributed to UFA for expenditures directly related to the COVID-19 pandemic. Invoices were sent to municipalities the end of April for a voluntary payment to recover fund balance, particularly the transfer to the Capital Replacement Plan.

UFA utilized fund balance to cover the estimated \$1.66 million impact from COVID for staffing and PPE. The first round of CARES funding provided full reimbursement to the UFA of \$730,000, leaving an estimated \$930,000. This reduced the transfer to the Capital Replacement Fund Balance.

Some of you have processed your payment, however, a few municipalities have indicated they may not be able to pay the invoice. I am concerned about the potential imbalance that will occur if a few municipalities determine they are not able to share the ARPA funds. Those who contribute will be paying a larger share than those who do not. I would like to replenish the Capital Fund to continue with our stated goal of a sustainable Capital Replacement Plan without the potential imbalance between members.

I am proposing we consider increasing the member fee or implement a special assessment to replenish the Capital Fund during the budget process for FY22/23 and provide a credit to the member fee or the special assessment for those municipalities who have shared their ARPA funds. For the UFSA municipalities, the credit would be provided to UFSA.

My request today is to gain consensus on this proposal. The formal consideration of this proposal would be integrated into the budget process for FY22/23.

MEMORANDUM

TO: UFA Board of Directors FROM: Division Chief Robinson

DATE: August 11, 2021

SUBJECT: City/Township Patch Project

Providing meaningful community and partner involvement is a sustaining goal identified in UFA's Strategic Plan. It is our goal to be the local fire department for each community we serve. To accomplish this goal, the Logistics Division has initiated the City/Township Patch Project as was outlined in the FY21-22 budget. The intent of this project is to replace the UFA patch on the right shoulder of the Class B Firefighter uniform shirt with a patch displaying the name and logo of the municipality being served. The city/township patches will be attached to the uniform shirt with velcro. This will allow Firefighters to change the patch as they rove between stations.

Logistics Division worked with SymbolArts to provide the patch designs for reference. The city/township patches are the same shape and size as our UFA logo patches, with the municipality name across the top and logo embroidered below. Below is an example of the patch design.
