- 9. <u>Consider Resolution 11-2019A Adopting the Revised Interlocal Cooperative Agreement to Revise</u> and Restate the Creation and Governance of the Unified Fire Authority
 - CLO Roberts described some last minute adjustments/requests/clarifications were submitted, these were discussed and were incorporated into the final version
 - These were mostly verbiage related
 - CLO Roberts walked through the current draft of the ILA asking Board Members to discuss any issues prior to asking for the vote on this packet
 - 9(a)ii: County Mayor Wilson requested the ability to assign an Associate Deputy as well as a Deputy Mayor
 - There was support to consider this change with the final vote
 - 9(a)iv: There was much discussion regarding when and in what circumstances an alternate Board Member was allowed to represent a community and vote on their behalf
 - It clarifies in the ILA that the alternate must be appointed by resolution by the entities city council
 - Chief Petersen stressed the need for a primary contact, selected annually, who will be included in the monthly informational packet and who can share in the responsibility of representing the entity
 - Concern about the definition of "emergency circumstances"
 - Several suggestions for modifications of the language to allow for a planned vacation or other normal conflict allow members to be represented
 - Chief Petersen proposed striking the language "...due to emergency circumstances"
 - Chief described the difficulty in a shifting Board of Directors based on availability, however, with the requirement that another elected official must be designated and the last paragraph stating the importance of Board Members participating either in person or remotely first, then provide as much notice as possible will help with the ability for him to brief the Board effectively prior to a meeting
 - There was support to consider this change with the final vote
 - 9(b)ii: CLO Roberts pointed out that the "50-50" weighted vote was incorporated in this document based on the perceived support from the October Board Meeting

- There was clarification that any two Board Members "or their alternate" representing separate parties may call for the weighted vote
- There was also clarification that due to the language that the two member calling for a weighted vote must be from separate communities eliminates the opportunity for two SLCo Board Members to call for this option
- Councilman Bowen indicated that his Council has directed him to vote no on this version of the ILA if it maintains a weighted vote
- 9(c) I and ii: Discussion of striking "if necessary" from the sections related to the Fire Chief and CLS removal
 - CLO Roberts clarified that the employment agreement would define the obligations of the Board
 - There was support to consider this change with the final vote
- Mayor Dahle asked what happens if an entity refuses to sign the ILA
 - CLO Roberts stated this basically becomes a notice of withdrawal, but it is unknown exactly how this evolves as it depends on whether or not the entity is a contract member or UFSA
 - A UFSA member may simply lose their seat on the Board, however, the UFSA may need to review the impact of a decision not to sign the ILA by a municipality in the UFSA
 - Mayor Dahle asked that CLO Roberts review the Board process with regard to this issue and what takes place following this action
- CLO Roberts outlined what the Board can expect once the ILA is approved
 - The final ILA will then go out to the communities for approval
 - Mayor Dahle encouraged all to expedite the approvals prior to new changes in councils
 - Once all signatures are collected, the new ILA is in place
 - CLO Roberts will distribute the final version today to the Board Members and the attorney workgroup
