9. Audit Update: Attorney General Investigation – CLO Roberts
- CLO Roberts has inquired as to the status of the investigation
 - AG's office stated that it is still active and a resolution should be forthcoming
 - Hoping to have more information at the June 19, 2018 UFA Board Meeting (closed session)

10. Fire Chief Report

- Legislative Committee Update
 - The UFA legislative focus:
 - The safety of the community relative to the UFA mission
 - The safety, wellness and fair equitable treatment of UFA personnel
 - Allow the organization to effectively perform the job with quality, efficiency and in a transparent manner
 - Ensure the UFA is able to recruit and retain quality people
 - Key responsibilities of the UFA lobbyist in representing UFA interests:
 - Assist with developing strategy, timing and focus of the UFA legislative efforts
 - Build relationships with state and federal politicians, their staff and others in the legislative process
 - Monitor and draft legislation
 - Work with legislators to advance and protect the interests of the UFA
 - Finalizing an RFQ for a lobbyist
 - There are no issues currently, we need a lobbyist to watch in the interim
 - Would like to get a general consensus from the Board on this focus and key piece, even though the Legislative Committee will drive the process
 - The Board will be aware of any and all legislative steps we take
 - There is some confusion with UFA having two lobbyists
 - We don't have the complexity in the legislature to warrant two voices
 - A singular person would provide clarity
 - Looking for someone to build and generate relationships so that UFA is engaged in issues early-on
 - The UFA wants a connector as well as a fighter, someone who gets us into where we need to be within the legislature in order to move forward
 - 1-year contract with the yearly option of renewal, up to 5-years
 - The Legislative Committee will review the applications and make a recommendation
 - This is the same cost to the UFA, the UFSA will realize a savings of ~\$30,000
 - Mayor Silvestrini
 - The UASD has a lobbyist who is perfectly capable with any issues on behalf of UFSA District
 - This saves costs by utilizing their Special Districts Membership
 - Councilmember Snelgrove
 - There is no more effective lobbyist than an elected official
 - Please consider and utilize this resource
- Metro Chief's Conference
 - Attendees were departments our size and larger
 - Appreciated the opportunity to attend this conference
 - Take-Away:
 - Narcan findings; being administered increasingly more often prior to first responder arrival
 - Preventive cancer; ice machines out of bays, don/doff turnout procedure after a fire

- Question of whether to send HazMat to all working fires for decon
- Mental Health; several departments have implemented a resiliency and mental health approach in recruit camp so recruits can see what they can expect
 - Families of first responders are also being educated on identifying symptoms of PTSD
- Discussion on the acceptance of Fire Departments as EMS providers
 - This acceptance by EMS is a key piece to being fully integrated in the medical community
- SAFER 2018 Grant:
 - Federal funding for conversion of part-time Firefighters to full-time
 - We will apply for this grant to aid our transition to this model
- USAR/Special Ops and Special Enforcement Division Chief's
 - Would like to initiate the move toward filling the USAR Program Lead vacancy
 - Would like the approval to convert the two Captain positions to Division Chief positions

**AMENDMENT TO COOPERATIVE AGREEMENT BY PUBLIC
AGENCIES TO CREATE A NEW ENTITY TO PROVIDE
FIRE PROTECTION AND EMERGENCY MEDICAL SERVICES
AND RULES OF GOVERNANCE EFFECTIVE JANUARY 1, 2004**

RECITALS

A. Several cities and Salt Lake County executed an interlocal agreement entitled “Cooperative Agreement by Public Agencies to Create a New Entity to Provide Fire Protection and Emergency Medical Services and Rules of Governance” effective January 1, 2004 (the “Interlocal Agreement”) that created the Unified Fire Authority (“UFA”).

B. Subsequent assignments of rights and withdrawals has left four remaining Parties to the Interlocal Agreement: the Unified Fire Service Area, a local district, and three cities, Alta, Cottonwood Heights, and Holladay (the “Parties”).

C. The Interlocal Agreement provides a mechanism for amendment in the form of approval by a vote of at least two-thirds of the UFA Board of Directors. Upon such consent, the Parties are directed to execute a written amendment.

NOW THEREFORE, pursuant to the terms of the Interlocal Agreement and the consent of two-thirds of the Board of Directors as evidenced by Resolution 06-2018 D, the Parties agree to the following:

1. Paragraph 5, sub-paragraph (a) of the Interlocal Agreement entitled “Governing Board” is hereby amended and replaced to read as follows:

Governing Board. A governing board (“Board”) is hereby created to operate, and to have exclusive control and jurisdiction over, Unified Fire Authority. The Board shall consist of one member appointed by each municipality served by Unified Fire Authority and one member appointed by Salt Lake County to represent unincorporated areas served by Unified Fire Authority. Board members shall be elected officials of their appointing authority except that any Member operating under a form of government in which there is an appointed city manager such Member may appoint the city manager as its representative on the Board. A person appointed to serve on the Board shall serve a four (4) year term. If, for any reason (for example, such member is no longer an elected official of the appointing authority, dies, etc.), a vacancy occurs on the Board, a replacement to serve out the unexpired term shall be appointed by the appointing authority. Unless otherwise specified herein, any action by the Board requires the affirmative vote of a simple majority of a quorum attending a meeting that satisfies the requirements set forth in section 6(a) below.

2. The amendment will be effective upon execution by the Parties.

UNIFIED FIRE AUTHORITY

TO: Board of Directors
FROM: Dan Petersen, Fire Chief
SUBJECT: Minimum Staffing
DATE: June 15, 2018

REQUEST:

Discussion and consensus from the Board of Directors to pay time-and-a-half for all work outside of regularly scheduled shift hours for 56-hour operational personnel beginning on June 23, 2018, and ending on September 26, 2018, to ensure that our minimum staffing levels are met. Vacation, sick, and trade would then be considered “hours worked” for the purpose of FLSA.

BACKGROUND:

We are experiencing a significant need for overtime to maintain minimum staffing. This is the peak time for vacation and we have several people off sick or on injury each day. We also lost 17 firefighters from retirement or resignation in the spring but were only able to hire 11 firefighters from our existing list. Unfortunately, they will be in recruit camp until September.

Many of our people are stepping up to work call-back shifts; however, sometimes a person is working in a lower classification for the overtime just to fill the vacancy (such as a Captain filling a Firefighter vacancy). We also have a few people working an excessive amount of hours since they are one of the few people signed up for overtime. This is concerning as well.

Since April 1st, we have been unable to staff to the minimum staffing level 14 times, some for only one position for a half-day, one for 2.5 positions on a single day. During this same period, we had 149 vacancies filled by personnel from a higher classification than the opening required.

The practice of paying time-and-a-half only *after* meeting the FLSA benchmark with actual time worked means that if a firefighter takes a vacation day during the 24-day FLSA cycle, he or she would receive straight-time pay to return to work. Some of our firefighters have chosen to be with their family or work another part-time job instead of returning to work for straight-time pay.

Our labor group believes that more people would sign up to work shifts if we paid our firefighters time-and-a-half for all extra work. This option was presented to the benefits and compensation committee during this fiscal year, but they did not advance it as a permanent fix. The full-year cost was estimated at \$227,000.

I would like to pay time-and-a-half for all extra hours worked by 56-hour operations personnel until the new firefighters are ready for station assignment in mid-September. This should assist in filling the vacancies this summer and will help us determine the value of this concept for improving the sign-up lists. We estimate this will cost an additional \$56,000 during the stated period.

Finance can modify the payroll software to begin paying all 56-hour operational personnel time-and-a-half for every hour worked over their regular schedule, beginning on June 23, 2018, and ending on September 26, 2018.
